A PINNACLE ON EVERY TABLE

**BOLD STATEMENTS.
DELICIOUS. UNFORGETTABLE.**

When we had the restaurant, we had a customer who came by so regularly, he just stood out.

One night we were closing up and he was the last one around. I decided to open a Chianti I'd been saving and have a chat. I asked what he liked so much about coming here. He thought a bit.

You understand what it takes to get it right, he said. Your food, your service — there's so much pride and passion in it, everything looks and tastes like it was made especially for me. I'm happy coming here, and it looks like the people who work here are happy, too.

He asked me if I ever thought about catering, because he'd hire me in a heartbeat. What do you have in mind, I asked.

That conversation is in everything we do. Something bold, some standout quality that gets people talking, food that's delicious and interesting — that's getting it right. That was a few years ago, and we've been friends since.

It all starts with a conversation.
What do you have in mind?

OUR EXCELLENT TRACK RECORD

AMICI consistently delivers on bespoke premium catering for both Eastern and Western cuisine. Creating culinary experiences that brings sophistication of taste and lasting memories embodying our motto; A Pinnacle on Every Table. Unlike most catering companies who tend to be better for one type of cuisine, we are equally competent in both, and are also strong in our presentation style.

Our core team has been with the company since we started, and we have a good track record especially in the premium market particularly for established brand names like Singapore Airlines, Meta, Microsoft, Porsche, Dior, and more.
